Jaen, Emmanuel Jr. M.

Adress: Block 3 Purok 28, BRGY. Fatima, General Santos City
Email: emmanuel.jaen@msugensan.edu.ph
Number: 09811133055

Objective

Passionate and proficient BSIT student specializing in database management, seeking an internship or entry-level position to leverage my web development skills and database expertise. Enthusiastic about creating efficient and user-friendly websites.

Education

Mindanao State University - General Santos
Bachelor of Science in Information Technology Major in Database.

Skills

- **Web Development:** HTML, CSS, JavaScript, PHP, Django, WordPress
- **Database Management:** MySQL, PostgreSQL
- **Programming Languages:** Python, Java,
- **Tools & Technologies:** Git, Apache
- **Frameworks & Libraries:** Bootstrap, Django
- **Others:** Problem-solving, Critical thinking, Team collaboration, Agile methodologies, FDD methodologies
- **Networking:** Web Exploitation

Projects

Web-based Thesis Management System

- Designed and implemented a system to manage and track thesis projects for students and teachers.
- Developed the front-end using HTML, CSS, and JavaScript and back-end using PHP and MySQL.
- Integrated user authentication and role-based access control.

Anime Recommendations Analytics Platform

- Created a Django web application to analyze and recommend anime based on user preferences.

- Processed large datasets to provide insights and recommendations.
- Utilized machine learning algorithms to improve recommendation accuracy.

Dress Code Scanner System

- Developed a Django web app to capture images and determine dress code compliance using a Keras model.
- Integrated a daily count feature to track allowed and not allowed dresses.
